

Headteacher's Messages...

I am pleased to share with you that in the last couple of weeks, we have had some exciting news about the future development of the school. A few months ago, with the support of the operations manager at Epworth Trust, we put in a bid for two building projects: heating and windows. I am delighted to say that both bids have been successful and so our school building will be getting a face lift and will also be far more energy efficient in the future. Work will take place over holiday periods to limit disruption but we cannot wait to see the outcome of this. All works will be completed in keeping with the character of the building. We will keep you updated.

A huge well done this week and last to all our Year 2 pupils who completed the SATs. We were so proud of your hard work.

Well done also to our boys in Class 3 who represented the school at a Tag Rugby competition on Wednesday, coming first. I know Ms Cole was very excited to see how many games you won with some results at 10-0—well done Summerseat! You also represented school admirably demonstrating the spirit of the games: determination, passion, respect, honesty, self belief and team work.

We hope you have a lovely half term break and look forward to welcoming you back to school on Wednesday 8th June.

Resource Provision Consultation

Along with the newsletter tonight, you will receive information regarding the consultation for a potential 10 place resource provision, potentially based at Summerseat. Please read the information carefully and share your views as advised within the consultation attachment. If you have any questions, don't hesitate to get in touch.

Preparing for the Weather

As we return to school for the second half of the summer term, the weather may be sunny. Please can we ask that children have sun cream on before they come to school. I know many are now once a day. If this is not possible, please let your child bring some sun cream in, with their name clearly marked on it. Children should also bring a sun hat to protect them from the sun. Fingers crossed we will have a sunny summer 2! They should also bring a light waterproof jacket as we know the Great British weather can be prone to showers!

PE / Forest School

In summer 2, all children will have PE on a Monday so please ensure PE kits are in school.

Forest School for Summer 2 will be rotated around each class and parents will notified at the beginning of the each week.
