

End of Half Term Message

I cannot believe we are already at the end of the first half of the summer term. I am so pleased that we have all managed to complete the full half term in school together. Next term, we are looking forward to taking part in sports day, Scoot Fit sessions, Bikeability, transition days as well as our leavers events and starting our induction for children new to school. We also plan, (if restrictions end) to hold a memorial for Mrs Mason on the afternoon of the 9th July as we were unable to do so due to restrictions at the time. Our plan is to hold sports day in the morning and the service in the afternoon. Further details will follow. I would like to thank all the staff and children for their continued hard work. We do say goodbye and good luck to Mr Ormrod who leaves us today. A separate letter has been sent to classes affected by this staffing change. I do hope that you all have a lovely break and we look forward to welcoming you back on Wednesday 9th June.

Uniform

We just wanted to remind you that last term, we updated our school logo. Uniform is now available from Murrays uniform shop with our new logo. From autumn term, we are looking forward to seeing pupils wearing our new logo with pride. We do understand that uniform can be expensive and children may not have been able to wear as much of their uniform as expected due to lockdowns over the last 12 months. For that reason, we will allow both logos until 1st January 2022. Friends have organised a uniform sale (*with our historic logo*) that will take place on Friday 11th June. If you do require any uniform, please feel free to collect some between 3:10pm and 4:20pm on the playground. There is an option to make a voluntary contribution via the link but this is not a requirement [Second Hand Uniform Sale - Friday 11th June \(thevillagetreasurebox.co.uk\)](https://thevillagetreasurebox.co.uk)

Crazy Hair Day

Thank you to everyone for taking part in Crazy Hair day yesterday. The creativity was wonderful—we were sure some families must have got up particularly early to fashion such wonderful hair styles! We really do appreciate your support through Friends events such as this one and it did bring a smile to many faces.

Class 4 Forest School Sessions

This year, we are delighted to have been able to provide Forest School sessions for all our classes. I am pleased to say that Class 4 will take part in their forest School sessions during summer 2. This will be a great opportunity to learn new skills ahead of transitioning to high school or becoming the oldest pupils in school. The Forest School sessions will be led by Miss McQuaid, our resident Forest School leader, and will take place on the following days:

Friday 11th June	Friday 18th June
Friday 25th June	Friday 2nd July
Friday 9th July	Friday 16th July

Children should come to school in their Forest School clothes but make sure they bring a change of socks and shoes for when they return to the classroom. Hopefully, as it is summer, the weather will be kind to us. Further information will be provided regarding what children should wear for the sessions. I know the first two sessions are swimming days, please make sure clothing items are labelled.
