

Covid Update

As I am sure you will be aware, the rates of Covid infection are rising significantly again in the Greater Manchester area. Also, the further easing of restrictions has been delayed by a further four weeks. As ever, our priority is to keep everyone safe, keep our bubbles open and minimise community transmission wherever possible through our Covid measures. Please remember to wear a mask at drop off and collection times, keep two metres away from other families and adhere to our one way system. I do hope things will return to normal in September but for now, let's continue to work together on this. Also, please remember that testing is available to all families through twice weekly LFD tests that are freely available. This will support us identifying asymptomatic transmission in our community.

Bikeability

Our Class Four families should have received a text message to let you know that bikeability has been moved to 3 consecutive Friday's. Apologies for any confusion but the organisers have had some unplanned staffing challenges. Dates will now be as follows:

Friday 2nd July / Friday 9th July / Friday 16th July

There will also be an opportunity for Class Four to have a 'bike check' on Thursday 1st July if you bring bikes in on that day.

Friends—Bags2school

Due to the continued Covid restrictions, the cake sale will be postponed.

A **Bags2School** collection has been organised for **Thursday 8th July**. Simply bring in any bags (*bin bags*) of unwanted clothes (*it must be clothes*) on the morning of the 8th and leave under the covered area for collection. It really is that simple and school receive money in return.

Sports Day

I am really pleased that we will be able to go ahead with our Sports day this year. In line with government guidance, children will remain sat in their usual bubbles and compete in bubbles during the event. We are inviting our families to join us at the event. Spectators must adhere to current social distancing requirements. To keep everyone safe, we ask that families sit in family groups and maintain 2m distance between them and other families. Please feel free to bring picnic blankets. If you need to move around, please wear a mask. Parents are responsible for letting track and trace know if they test positive and have been in close contact with anyone else. Please make sure you adhere to these measures which we need to put in to minimise risk to our community and ensure the event can take place safely.

We plan to hold a traditional sports day with children competing in running races, egg and spoon race and sack races etc. We will also hold a toddler race and parents race so please make sure you bring your running shoes! I am sure it will be a lovely day for everyone involved.

Our sports day is planned for Friday 9th July and will take place from 1:15pm. We do hope you are able to join us. Please feel free to bring any picnic rugs and refreshments.

Please note: Class 4 will finish Bikeability in time to join Sports Day.
