

Murrays School Uniform Sale

Murrays have asked us to let you know that they will be giving a 50% discount on badged Summerseat uniform.

Due to Covid-19 restrictions, stock is only available through the website: www.murraysfamilyclothing.co.uk

for click & collect or home delivery.

We will be starting to phase our new logo onto school uniform *from September and* as children out grow current items.

Staff Testing

From next week, in order to try to reduce asymptomatic Covid transmission and bring down the R rate, all school staff are to be offered Covid tests twice a week as part of a new government scheme. This will not be extended to children. Whilst we hope this does not mean any disruption to our provision for key workers and vulnerable pupils, I wanted to pre warn you that this means we may have some short notice bubble closures linked to increased testing. If we do need to close a bubble, we will initially let you know by text and then follow this up with a letter with further details. As I said, I hope this does not mean any disruption as we are continually grateful for the continued hard work of all our key workers, particularly those working in hospitals and medical centres, helping those with the virus. Thank you to everyone for playing their part by staying home and keeping safe. I do hope our school community can be back together soon.

Remote Education Update

I wanted to thank everyone for their continued hard work both at home and school. I know that for those of you at home, juggling work and home schooling is not an easy task! We appreciate all your efforts. If there is anything we can help with, please don't hesitate to let us know. Please remember, we are giving feedback on your work for each assignment. If you are not sure how to access this, please let the class teacher know and they would be happy to show you how to locate this on Teams. Please remember to share the comments with your child and if the teacher asks you to check something, we would love to see any corrections or updates. If you are working some days at home and some in school, feel free to bring in the work for us to see the next day if uploading it is proving difficult. Whilst we prefer to see it in Teams so we can give feedback and keep all your super work in one place, we want to see all your hard work in any form that you can get it to us.

Again, well done to everyone for adapting to these new ways of working and we are thrilled with all your hard work.

Assembly

Every Friday, we will hold our 'Shine' assembly. Your child will have the 'Summerseat' team on their Teams account. Within this is a recurring meeting link. We do hope you can **join us at 2:50pm** to hear about the good work that has been going on both at home and in school across the week. We will be posting certificates to those children who are working at home. The second live assembly will take place today. (22nd January)

A pre-recorded assembly will also be available every Monday for you to see and make comments about in your own time. This will focus on national and international events or one of our Summerseat Values.
