

Meet the Teacher

It was lovely to see so many of you in person at our 'Meet the Teacher' session earlier this week. Thank you for attending. I have received some lovely informal feedback about the breadth of the curriculum the children will be studying and the opportunities that will be on offer, thank you. We are very proud of the curriculum we have built at Summerseat and are excited to be able to see the children follow this in person this year, hopefully without disruption. This parental feedback was sent in writing:

"Tonight we were so impressed with the organisation, structure, breadth and creativity in ... 's timetable ...as well as the fact they still have manage to have fun during the day and wellbeing is at the forefront of their lessons.

If you weren't able to attend, or had a sibling in a different class, the information is available on individual class pages on our website. This includes: PowerPoint presentation about class routines, timetable, staff, our golden rules and also the topics and key learning for this year.

For more information about our curriculum, please see 'School life', 'Our curriculum and approach' via the school website. There you will be able to access the 'Year groups steps in learning' which will show you what your child is studying in their class this year. Through the tabs on the right, you can also find out more about our approach to individual subjects and the expected progress in knowledge and skills that we want children to gain on their learning journey through Summerseat. If you would like any more information about our curriculum, please don't hesitate to get in touch.

Welcome

We welcome Mrs McLaren and Miss Scott to our Summerseat family. Both join us on placement from Star Academy as trainee teachers.

Weds 29th Sept	Optional Parent Meetings
Fri 1st Oct	Harvest Celebration Assembly 9:10am
Fri 11th Oct	Individual Photographs
Fri 22nd Oct	School closes for half term
Mon 1st Nov	School opens for autumn 2

Harvest Festival

This year, our Harvest Festival will take place on Friday 1st October at 9:10am in Rowlands Church.

The children will be leading the assembly which is called, 'The Mischievous Mice'. I do hope you will be able to join us for our first live in-door performance for some time. The children are already enjoying learning the songs and their lines. We ask that anyone planning to attend completes a LFD test to help us keep our school community safe. This year, in partnership with Rowlands church, we will be collecting for the Porch Box charity. This is a Bury based charity providing crisis packs of food and toiletries to local agencies to distribute to local people in urgent need. We are collecting donations in school which can include the following ([CLICK HERE](#)). Any food donations should be brought into school on the morning of Friday 1st October. Thank you in advance for supporting this charity and helping us, 'Do all we can' within our local community.

PE Uniform

Please can we remind everybody that our PE uniform is green shorts or black joggers / leggings for winter and a white t-shirt. Children should not be wearing football kit or anything outside of our school uniform policy. Many thanks for your support.

Optional Telephone Meetings

For the autumn term, our main parent meeting to discuss your child's progress will be held on the 14th and 15th of December. However, as we know this is some time away, we wanted to offer an optional meeting as the children resettle into school so we can address any thing that has arisen so far. I know several parents used our 'Meet the Teacher' event for this. If you would like to arrange a telephone appointment for the evening of Wednesday 29th September please let the school office know by no later than Tuesday 21st September.
