

Power Cut & Remote Learning

Thank you to everyone for their patience and understanding on Monday during our unexpected school closure. This was due to a fault in our electricity supply which meant we had no power until some time after 1pm. Fortunately, it was fixed on the same day. Thank you for your engagement in remote learning on the Teams platform. We had some excellent work uploaded. Hopefully, we won't need to utilise this again for some time but passwords to online platforms will be sent out in Reading Records next week so please keep these safe. Staff will also use Teams at some points during the year to set homework tasks so that children (*and staff and parents!*) remain used to this process.

Black History Month

The month of October marks Black History Month and activities and assemblies are planned for October designed to recognise and value inspirational individuals and events that have shaped the black generation. During Black History Month, we remember and celebrate the important people from the past and also those who contribute to help our society today.

To support this, our author of the month for October is Maria Isabel Sánchez Vegara. She is the author of the Little People, BIG DREAMS series, the best-selling biography series for kids. The books explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with a dream. These books will help us explore our key curriculum drivers: aspiration, diversity and inclusion.

Robin Wood Parent Meeting

We would like to invite parents of children in Class Four to attend a brief meeting to outline the activities your child will take part in during our Robin Wood visit which is planned for 3rd—5th December. We will talk about the itinerary for the visit, the equipment they will need and we will provide an opportunity for you to ask any questions you may have about the visit. The meeting will be held on **Thursday 4th November at 6pm** in Class Four. This is a meeting for parents and we will be talking with children in detail about what to expect over the coming weeks. I do hope you will be able to join us.

Summerseat Bus

Please can we be mindful of where we park at school drop off and collection. Due to double parking on Crag Avenue, the bus has diverted leading to residents missing the bus. Thank you
