

Year 6 SATS

A huge well done to all of our Year Six children for sitting their SATs this week. Throughout the week their behaviour has been impeccable, their resilience and can do attitude made us all very proud.

We know this week can be overwhelming for the children involved so we have a message we would like to share:

The SATS tests do not assess what makes you special and unique. They do not assess your talents, be that sport, a love of song or creativity. They do not show what incredible role models you are to your friends at Summerseat, who think the absolute world of you. The SATs tests do not know that you are kind, thoughtful, funny and that you always try your up most in everything you do. Be proud of yourselves for all that you have achieved this week. Believe in yourselves, you have achieved great things and remember that you make Summerseat shine.

We do hope that everybody attending the residential has an amazing weekend, you absolutely deserve it!

Award Winners

Who has been shining this week at Summerseat?

| | |
|--------------|--------------------------------|
| Acorn | Value: Ted R |
| Oak | Shine: Rose |
| Beech | Shine: Izzy Value: Riley |
| Ash | Shine: Year 6 Value: Year 5 |

Walk to School Week

A reminder that next week is walk to school week. Children will be well on their way to reaching their recommended minimum 60 minutes of physical activity per day before even reaching the school gates! Not only will it set them up for a positive day in the classroom, but it will also help create healthy habits for life.

Each pupil will be challenged to travel sustainably (walk, wheel, scoot, cycle or Park and Stride) to school every day for one week. Each class will work collectively to make as many active journeys to school as possible across the week.

What do I need to do as a parent/carer? We would ask, if possible, to make arrangements so that your child/children can travel actively to school on week commencing 20th May, helping our school reduce congestion and pollution around the school gates. Walking, wheeling, scooting and cycling all count!

Rockstar Day

A reminder that on Thursday 23rd May 2024, we will be hosting a Rockstar Day. We are encouraging children to dress up as Rock Stars and participate in fun, engaging maths and times tables challenges throughout the day.

Don't forget you can come to school dressed as your favourite rockstar!

Dates for your Diary—for dates further ahead, please visit the calendar on the school website.

[School Calendar](#)

| | |
|---------------------|---|
| 21st June | HLN APDR SEND Meetings (teachers will be in touch with parents) |
| 23rd May | Rockstar Maths Day |

| | |
|--------------------|--------------|
| Acorn Class | 94.8% |
| Oak Class | 93.6% |
| Beech Class | 93.5% |
| Ash Class | 93.9% |

This week's winners are: Acorn

Thriving in Bury Digital App

Mental Health Awareness Week will take place between the 13th and 19th May this year. Ahead of this week we want to share the Thriving in Bury digital app with yourselves, as it enables children and young people to easily access information and support to manage their mental health and emotional wellbeing.

The app provides easy access to information on local support services, self-help materials, youth groups, emotional concerns and issues, national helplines and digital mental health support. We will be talking to the KS2 children about the Thriving in Bury digital app next week in assembly and more information can be found following the links below or scanning the QR code to the right.

This poster will be displayed on our Children's Safeguarding Board to support children in using the website/app to gain confidential help, advice and support for the Mental Health.

Follow the links below for more information about Mental Health support in Bury.
