Head of School's Message....

Whilst I could not attend the Harvest service myself, I know it was very successful and enjoyed by pupils, staff and parents.

It was a pleasure to take the children back into church earlier this week as we practiced and we are hoping to use the church building more for services and worship in the near future.

We have been thinking about being thankful for all we have but the importance of then sharing that with those around us who need it.

Thank you for all your generous donations which will be added to those made by the church community and used to create boxes which will be distributed to families in the local area.

We are keen to work as effectively as we can with parents and we are holding 3 parent forums over the course of this year.

12th November

11th February

17th June

These will be held from 5pm until 5.45pm and it would be great to see as many parents as possible at these so we can continue to work together, to share views and discuss school matters. Also, we are holding our first SEND workshop on the morning of the 24th October which will be led by the Mental Health Support Team and will look at how we can support and encourage resilience in our children.

Again, it would be great to see as many of you there as are able. This will be held in church following Shine worship.

As always, the children have really been a pleasure to work with this week and I hope you all have a wonderful weekend.

We know that getting to and from school is tricky on a 'normal' day and is especially so at the moment with work vans and school transport and other work happening in the village. We are trying to resolve this but many issues are beyond our remit. That said, we are continuing to try and think of small ways to make it easier.

In the meantime next week may be especially challenging. The school car park will be out of action as it will be full of vans as the scaffolding comes down. The cricket car park is being resurfaced so also unavailable.

Please take extra time and care when bringing your children to school and please park responsibly and thoughtfully. Thank you in advance for your patience.

Open Days

14th October

11th November

If you have a child due to start in Reception or Nursery in September 2026, or if you know anyone who has, we would love to invite you to our open day. This will involve a tour with the Head of School where you can find out all about our wonderful school

Please contact the office to make an appointment

Please feel free to share our social media posts.

Summerseats fundraiser for BBC Children in Need

A fundraiser organised by S Coffey for BBC Children in Need

Brooks was born prematurely and has visual impairment and global developmental delay. He attends the Dame Vera Lyn Charity where a BBC Children in Need funded physio has helped him to meet all of his key milestones such as sitting and walking. Thanks to this funding, Brooks is now able to go to school. Right now, too many children across the UK are facing...
