

Dear all,
 What lovely weather we have had this week! It has been an opportunity for us to take our learning outside. Class One have been busy weeding, sweeping and digging in our outdoor area. What a great job they have done! Other classes have also been busy taking part in sports sessions and creating art work outdoors. Let's hope the lovely weather continues into the weekend.

School Uniform

As we are at the start a new year, I would like to take this opportunity to remind parents of the importance of children adhering to the school uniform code. As a school we pride ourselves on looking smart and ready to learn. Please make sure that you do not come to school with jewellery, nail varnish or large hair accessories. Children should also wear school shoes and not trainers (*unless you have spoken with a member of staff*). Staff will be monitoring the children and praising the children for their effort in all of the above points. Thank you in advance for your support with this.

At the moment, the weather is very unpredictable. Please can you make sure your child does come to school with a coat.

Please remember to name all items of uniform clearly as we already have some unnamed lost property.
