

Dear all,
 What a busy week it has been at Summerseat as we have been electing children to be on our pupil councils. I have been so pleased with all the children who have put themselves forward, thank you.

This week we have had elections for our House Captains and Vice Captains in Class Four. The children made speeches and a vote was held. You all made me extremely proud - it is not easy to stand in front of all your friends and explain why you should get their votes. You spoke so articulately and all the staff were very impressed with all the candidates. The Captains and Vice Captains will be leading their Houses in competitions, at lunchtimes and also sharing the winning house each week and choosing someone to receive a certificate in our award assembly. We have also elected School Council representatives from Reception to Year Six who will help lead and shape the school. They will receive training for their role next week. An Eco-Council has been elected and will be led by Izzy in Year Six. The team will raise awareness of, and address important issues such as waste, recycling, energy, water use, biodiversity amongst other eco-issues.

Our final group is the Summerseat Stars who will be taking a lead role in assemblies throughout the year and also supporting on the playground.

Again, thank you to all the children who put themselves forward. If you were not successful on this occasion, I know there will be further opportunities in the future.

Also a huge thank you to all the parents who were able to join us to 'Meet the Teacher' this week, as promised all the curriculum information will shortly be available on our website. Have a wonderful weekend.
