

## Online Safety & Acceptable Usage Agreements

A focus, as part of anti-bullying week, has been, 'Be kind, online'. We are working hard with children to think about many aspects of online safety. With this in mind, we have updated our acceptable usage policy for the children. We ask that you share this with your child at home, ask them to sign it and return it to school. Staff have all delivered sessions this week explaining the acceptable usage agreements to the children. At SMPS, we are using Google Internet Legends and 'Education for a Connected World' to make sure we prepare children for life in a digital world.

More information can be found in our online safety policy which is available on our website.

## Whole School Homework

Christmas is fast approaching and December is almost upon us. With this in mind, we would like all children to make a hand made decoration for our Christmas tree which will be in the main school hall. This will be the homework task for all children across school and we ask that you bring in your decoration by no later than Friday 29th November ahead of our tree decorating service. I am looking forward to seeing your creations and I am sure it will be the best tree yet!

## Newsletter

### Friday 15th November

<b>Mon 2nd Dec</b>	Tree Decorating Service (Children Only)
<b>Tues 3rd Dec</b>	Parent Evening—all classes (Letter sent home this week)
<b>Thurs 5th Dec</b>	Christmas Film Night (Friends Event)

## Anti-Bullying Week

This week, it has been 'International day of Kindness' and anti-bullying week. All classes have been focusing on what bullying is and what to do if they see it in our school. We have reminded children of our key message STOP!

*Bullying is not when two people have a disagreement or fall out over something, it is usually ....*

We have an ethos of, when possible and appropriate, 'Praise in public and reprimand in private.' We have talked to children about this in class and reassured them of sanctions that could be in place if a child repeatedly misbehaviours. This is part of our behaviour policy but is attached with this week's newsletter for your information.

As part of this work, we have also been focusing on our key school vision: '**Love your neighbour the same as you love yourself.**' Thank you for wearing your odd socks and remembering how unique we all are and how wonderful this makes us. 'Love thy neighbour', starts with love for ourselves. We have also talked about how we can show love for friends and family and also those locally, nationally and international. Thank you for taking part in Children in Need today and wearing your PJ's to help those in need, spreading love through your generosity and kindness.
