

### Class Three Visit

This week, Class 3 went on a visit to the Polish Centre as part of the School Linking Project. I was very pleased to receive the following feedback from the organiser:

*"I thought both classes were exceptionally well-behaved, and they all seemed to join in the activities with enthusiasm and confidence. They made lovely comments at the end when reflecting on the day and the friendships they had made, which is what it is all about! Thank you for all the preparatory work you had done to help the session run smoothly. "*

**Well done Class 3!** Thank you also to the parents who accompanied us on the visit.

### Head Lice

This week, we have had several reported cases of children having to be treated for head lice. Can I please ask all parents to check their children's hair regularly and treat if necessary. It is recommended that treatment is repeated 7 days later, as any eggs that remained following treatment may hatch in that time. We would advise that hair should be tied up at all times. And regular checks be made by all parents. Thank you for your support in this matter.

### Date Correction

I believe on a recent Newsletter I wrote Thursday 14th February as a date we finish school for this half term. I can confirm that this was an error. We do finish for half term on Thursday 13th February as Friday is a staff training and development day and is not open to pupils. Apologies for any confusion this may have caused.

- Friday 31st January—**Break the Rules Day**
- Thursday 6th February—**Bags2schools**
- Thursday 13th February—**Valentine Cake Sale**

You will receive letters providing further details of each event. As always, we thank you for your participation and support of these events as they raise vital funds for school.

### Maths Workshop

On **Tuesday 28th January**, you are invited to join us for our Key Stage Two maths workshop. This will be useful for anyone who has a child in the junior classes. During the meeting, we will be going through the progression in methods for multiplication and division from Year 3 through to Year 6 and our school calculation policy. We will be offering two sessions: **2.15pm or 5:00pm**. We do hope you can join us.

### Education Sunday

This term, we will be asking Class 4 pupils to participate in the Education Sunday service which will be held in church on **Sunday 9th February at 10:30am**. Last term, they worked with Tom King who led them on a, 'Walk through the bible'. They will be sharing their learning as part of the service which will be led by Tom King. I hope Class 4 pupils will be able to join us to present their work. Of course, all children and families will be more than welcome.
