

Author of the Month—February

Next week, we will be revealing our third author of the month. So far, Tom Fletcher has been the most popular author—I wonder what we will think of our next author?

Sports Update

This year, one of our school aims is to increase the competitive opportunities the children have in various sporting events. With this in mind, I signed us up to compete in the Weekly Warrior challenge. This is a competition across 28 Bury schools. Each week, one year group is set a sporting challenge and we submit our results. I am delighted to say that after four weeks, we are in silver position. There are a further six weeks to go—keep it up Summerseat! I will keep you posted on our progress.

We also have an upcoming swimming gala and tag rugby tournament in the next few weeks. Keep an eye on the 'children' section of our website, under 'Sports news' to find out more.

Friends Events

Recently, the Eco-Council attended the tree planting event with BAM construction. This was a great experience and I know the children really enjoyed it. This week, we have been presented with a wonderful piece of artwork courtesy of BAM which was painted by Stuart Barkley.

PE Lessons

Over the last few weeks, we have had several children tell us that they cannot take part in PE sessions for varied reasons. PE is a vital part of our curriculum. If your child cannot do PE for any reason, or is unable to go onto the playground, please make sure you inform the class teacher. This can be done via the school office or e-mail to the school.

Education Sunday— Reminder

We do hope you can join us for the Education Sunday service on Sunday 10th February at 10:30am. The Class Four pupils will be showing some of their learning from, 'Journey through the bible' which was led by Tom King.

Whilst Class Four will be the class presenting work, all the children and families are welcome.
